

The most obvious influence on the Christian Easter is the Jewish Pesach, or Passover. The predecessor of Easter, Pascha, still observed in Eastern Orthodox Christianity, takes its name directly from Pesach.

The name "Easter" may descend from the Anglo-Saxon goddess of spring, Eostre ... even if that's not true, the timing of the event makes it fairly certain: Easter happens when it does because early Christianity was desperate to co-opt pagan holidays. The holiday in question is Beltane, on May eve, which is -- let's be plain -- all about sex. Beltane is when spring arrives and everyone says "hey, let's get it on." -- giggle --

The strange mix of Easter symbols makes sense when you realize they're fragments from a festival featuring fertility and fecundity -- ooh, see what I did there? I mean, what are rabbits notorious for doing? And an egg is one of the oldest fertility symbols of mankind. Of course, the most blatant symbol of Beltane has mostly been erased, because it was just too hot for those prudish Christians! That's the maypole -- MMM -- a phallic symbol they couldn't cover up. It stuck out too far! -- hee hee --

And ... ooh ... Um, wow, I see a lot of maypoles being raised, huh? -- giggle -- MMM! Any volunteers want to come up here and have a little fertility ritual?

Gawd. I should have sat in the back. Then maybe I could fall asleep without her noticing.

... wait ...

hee hee hee

THIS IS NATALIE. JUST SO YOU KNOW.

That's a lot more interesting, huh?

I ... uh ... who are you?

I'm asleep. That's it. I'm dreaming.

What's she think, someone's gonna go up there and fuck her in front of everybody?

What's wrong with that? You humans are so weird.

That's OK, I can fix it!

# TRILBY'S TRUE TALES OF TRANSFORMATION **BAD HAIRE DAY**

WORDS AND IMAGES BY TRILBY

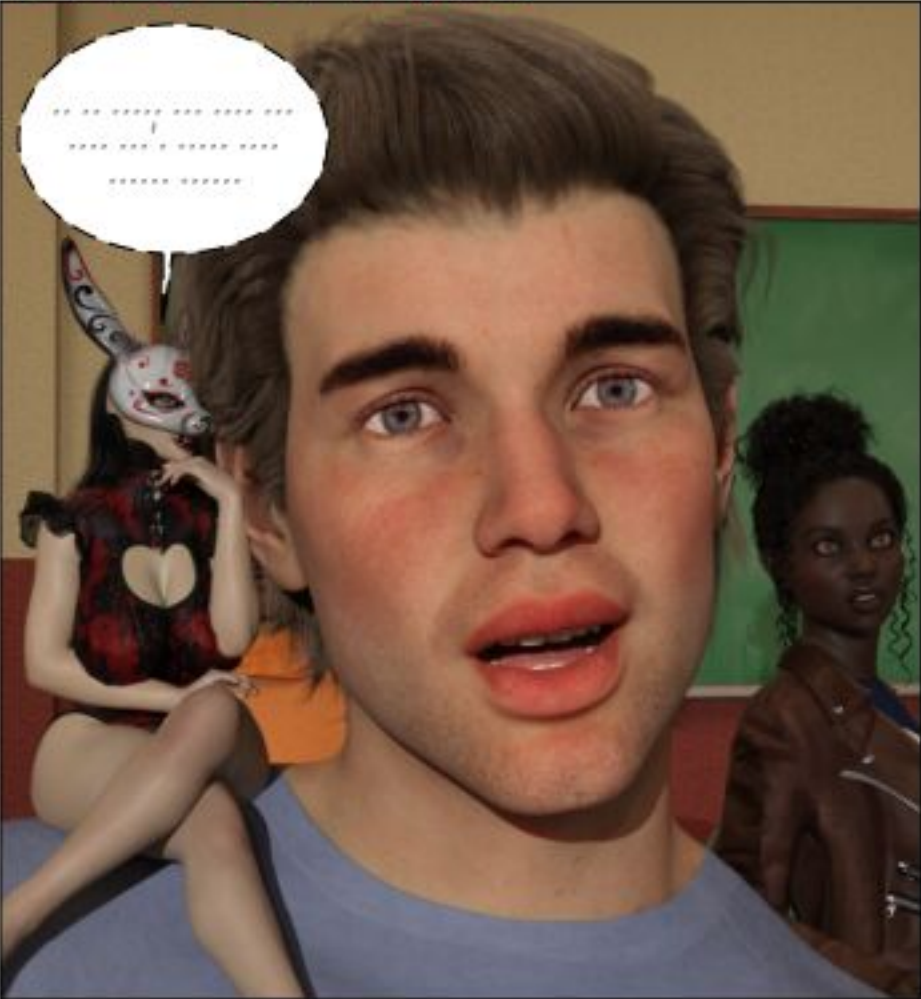

That one over there, who thinks we don't see where his hand is. Why doesn't he just go up?

Because he knows it's a bad idea for about six different reasons?

Oh, honestly. It's like you don't want to have any fun.

Hey, big guy! You know what'd be really awesome?

Oooooohhh!

Somebody's going to get a really good grade today ...

Oh! Ohhhh!

You did that, didn't you? You think that's punny?

No, I think it's very, very serious! -- giggle --

What's the problem? They're enjoying it!

Because you made them!

Get away from me!

I can't make them do that, silly. They wanted to! I only helped them a little bit.

I just want to help you, too. I want to help everybody! And you all need lots of help.

No, I don't want ...

But you do want. That's the punny part! You want it a lot. But there's part of you that doesn't want to want it. We just need that part to go take a nap or something.

Think of all the pun you could be having. Think of all the kissing and licking and teasing and sucking and punning ... and all you have to do is let that part of your brain take a little vacation ...

I ... but ... Uhhh ...

There! Isn't that better? Doesn't that feel good?

And you're so cute with that dumb look on your face! I bet everybody's going to want to play with you!

... ooh!

C'mere, you!  
-- giggle --

Whoa!

A seat on the front row!  
-- hee hee --

Cut it out, you little nightmare!

Nobody wants this!

But we don't even --

Oh, shut up.

Mmph!

Uh, could I --

I mean ... would you do me next?

ooh!

Really??

Stop squirming while I'm trying to tear your clothes off!

Mmph!

You know, you don't really need my help. I think you just want an excuse!

UM ...

That's OK!  
But let's really do it right.  
-- giggle --

Wheeee!

Everybody has lost their Pucking Minds.

I seeee you looking!

You want some of this, huh?

Abta gin!

... I was hoping you'd ask.

OK, who's next?

No way!  
I am not interested in having sex with any of the men in this room.

ooh, yes! Yessss!!

Hmm!  
You're right, you're not!  
But ...

... it looks like there might be somebody you're hot for, hmmm?

That's not -- you can't know that --

Velma, what's she mean?

Both of you really need to get up more nerve, you know that? Silly creatures.

Don't worry, though! Gotcha covered!

OK, that's it. I am out of here.

Crazy rabbit lady ...!  
I wish this was a dream, then I'd know I'd wake up sooner or --

Aaagh!

Why did you leave just when we were having Pun?

I don't like your kind of "Pun"!!

Leave me alone!

Now, that's not very nice.

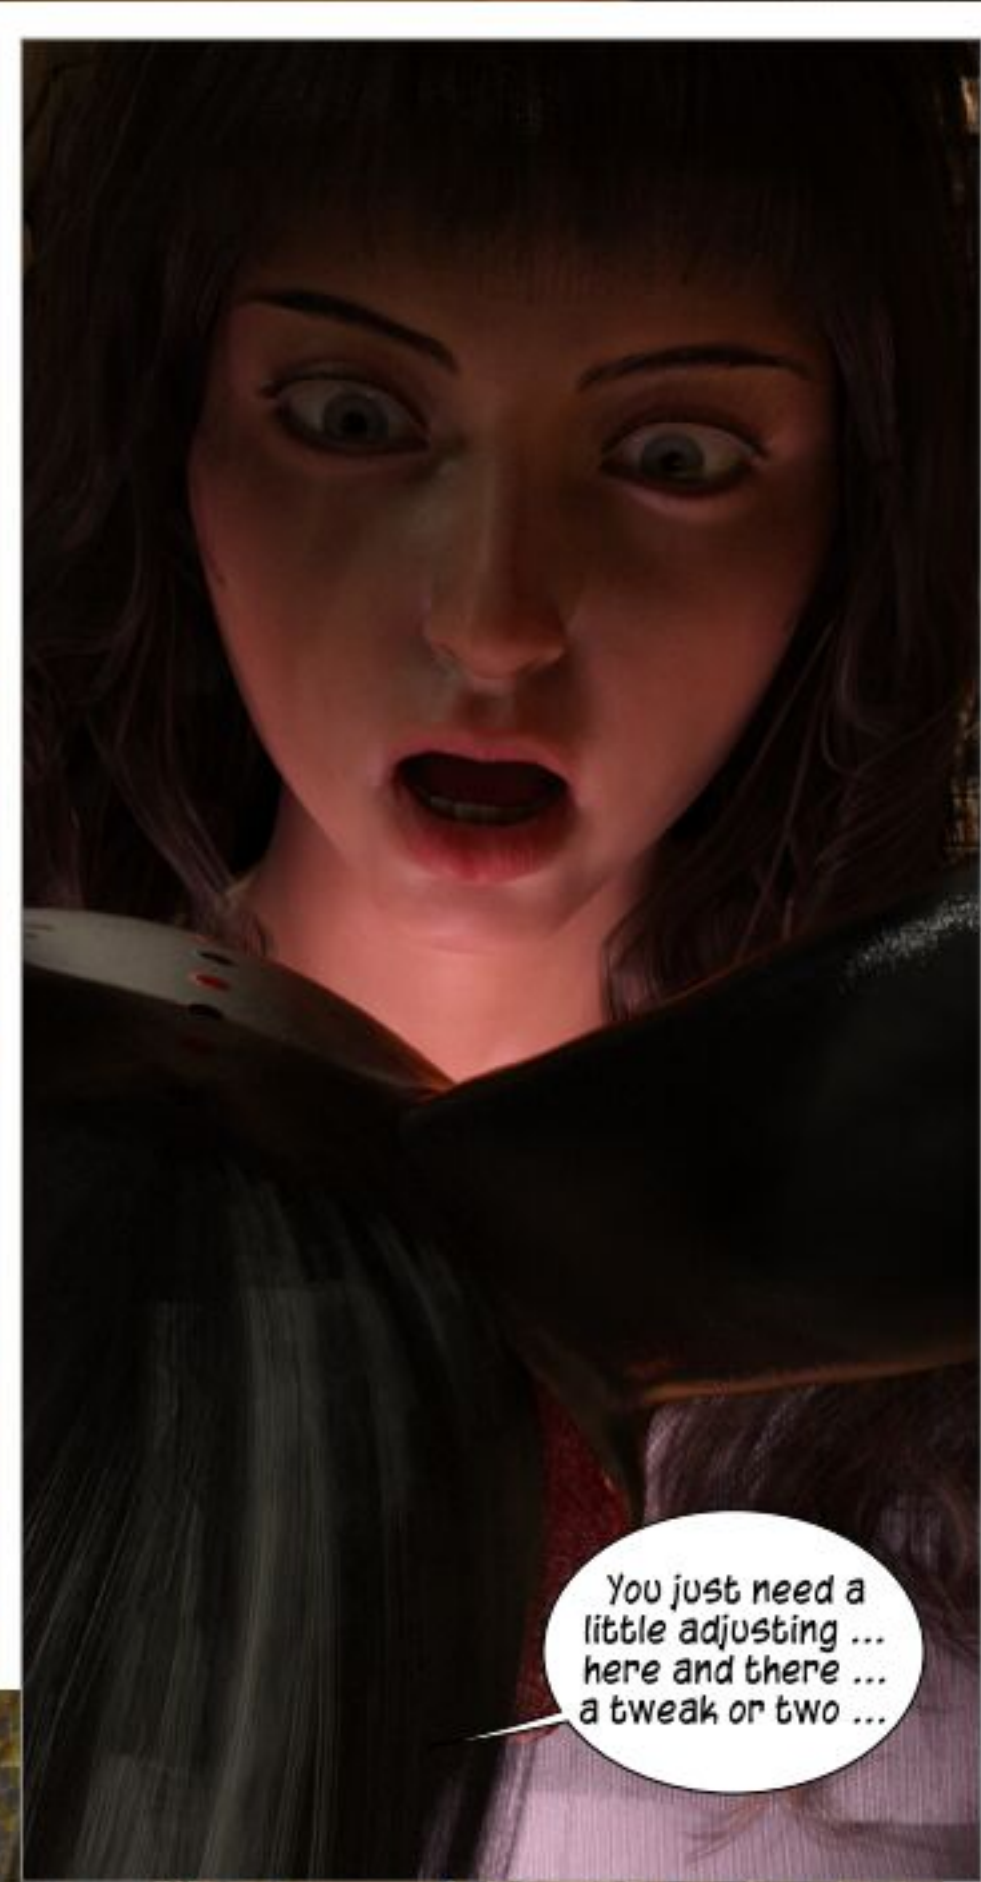

I'm just trying to bring a little joy into your life. You're so grumpy!! You need to lighten up!

Ooh!  
I know what we can do!  
-- giggle --

My laptop!  
Damn it, I need that!

Oh, calm down, will you? It'll all be OK. You'll see.

You just need a little adjusting ... here and there ... a tweak or two ...

There!

What did you -- hee hee!  
-- I Peel -- hee hee hee!  
-- why do I ... uh ...?  
-- giggle --

You're going to be my assistant! It'll be a lot of Pun!

Ooh!

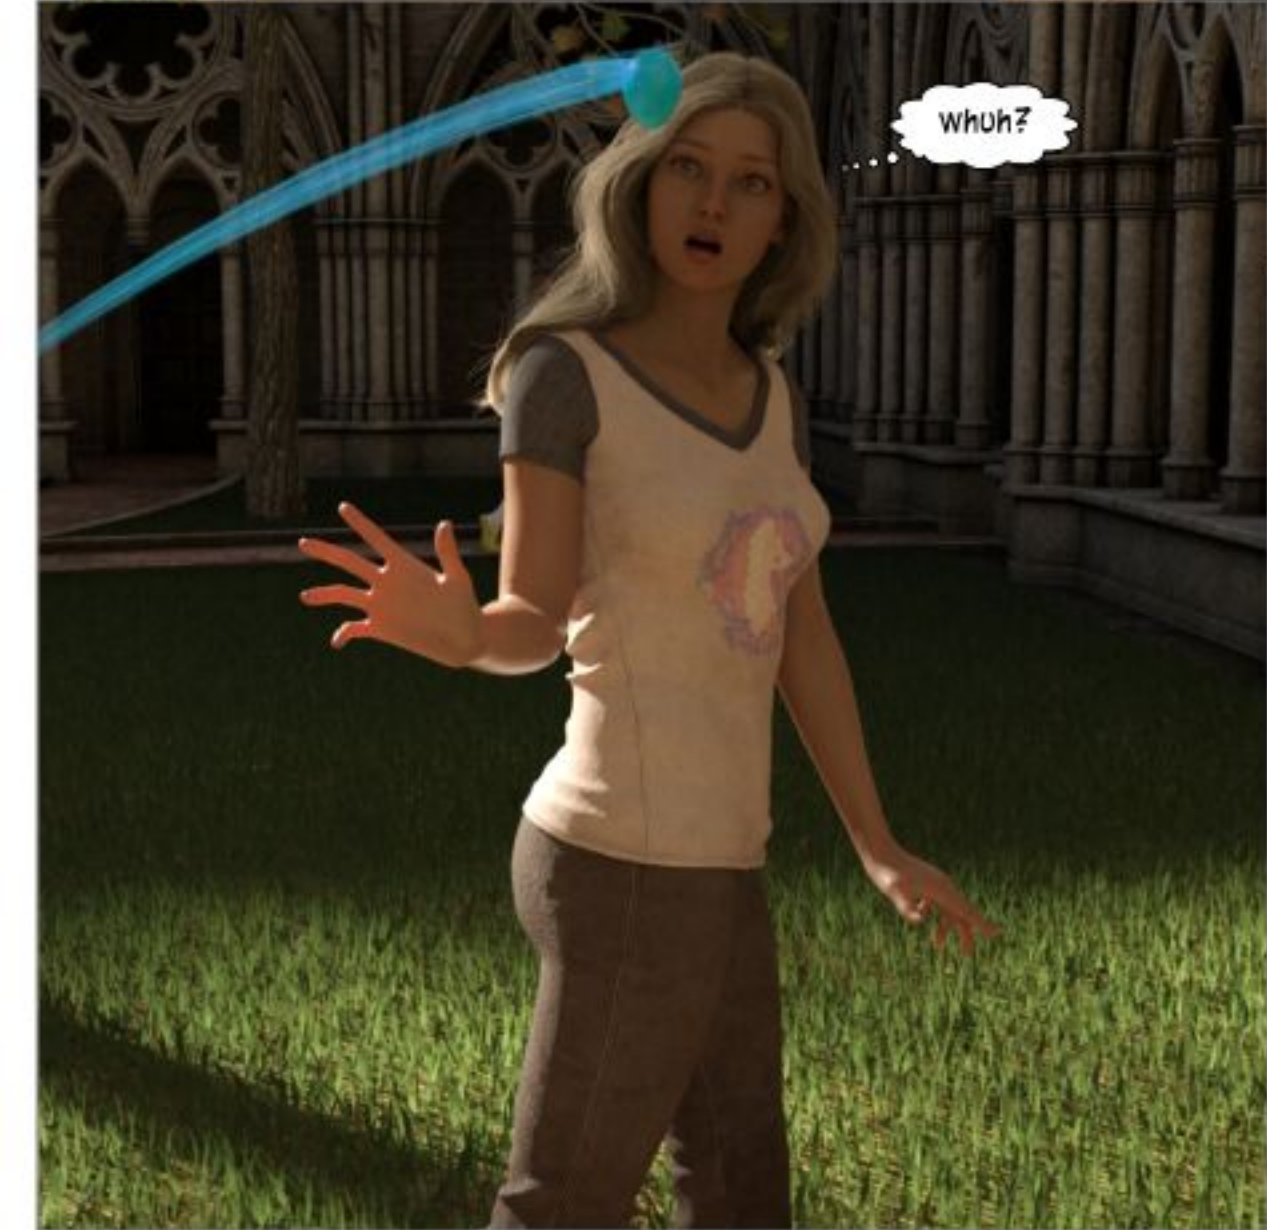

All you have to do is find people who look like they could use a little Pun, and throw an egg at them.

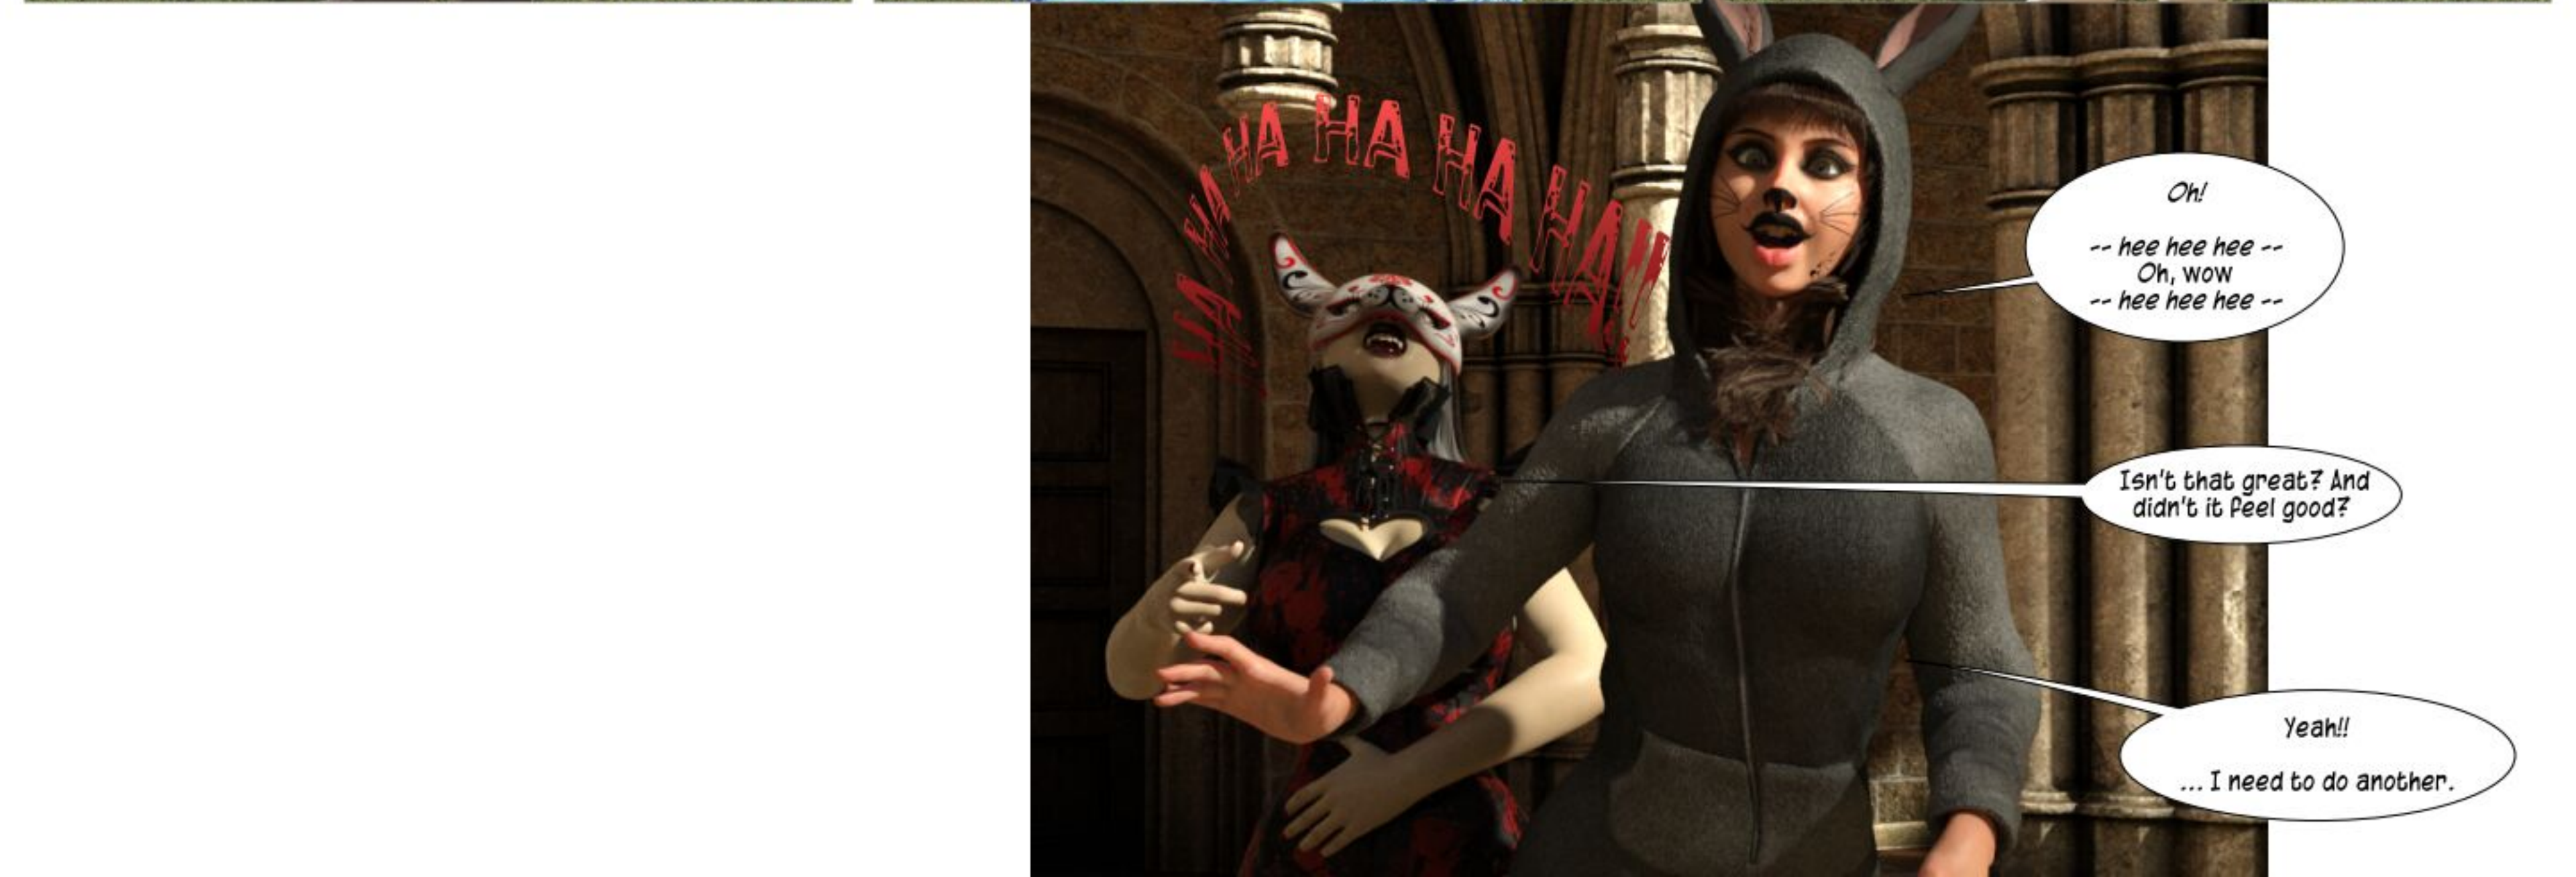

Oh! I can do that! That's easy!

But ... uh ... then what happens?

Try it and see!

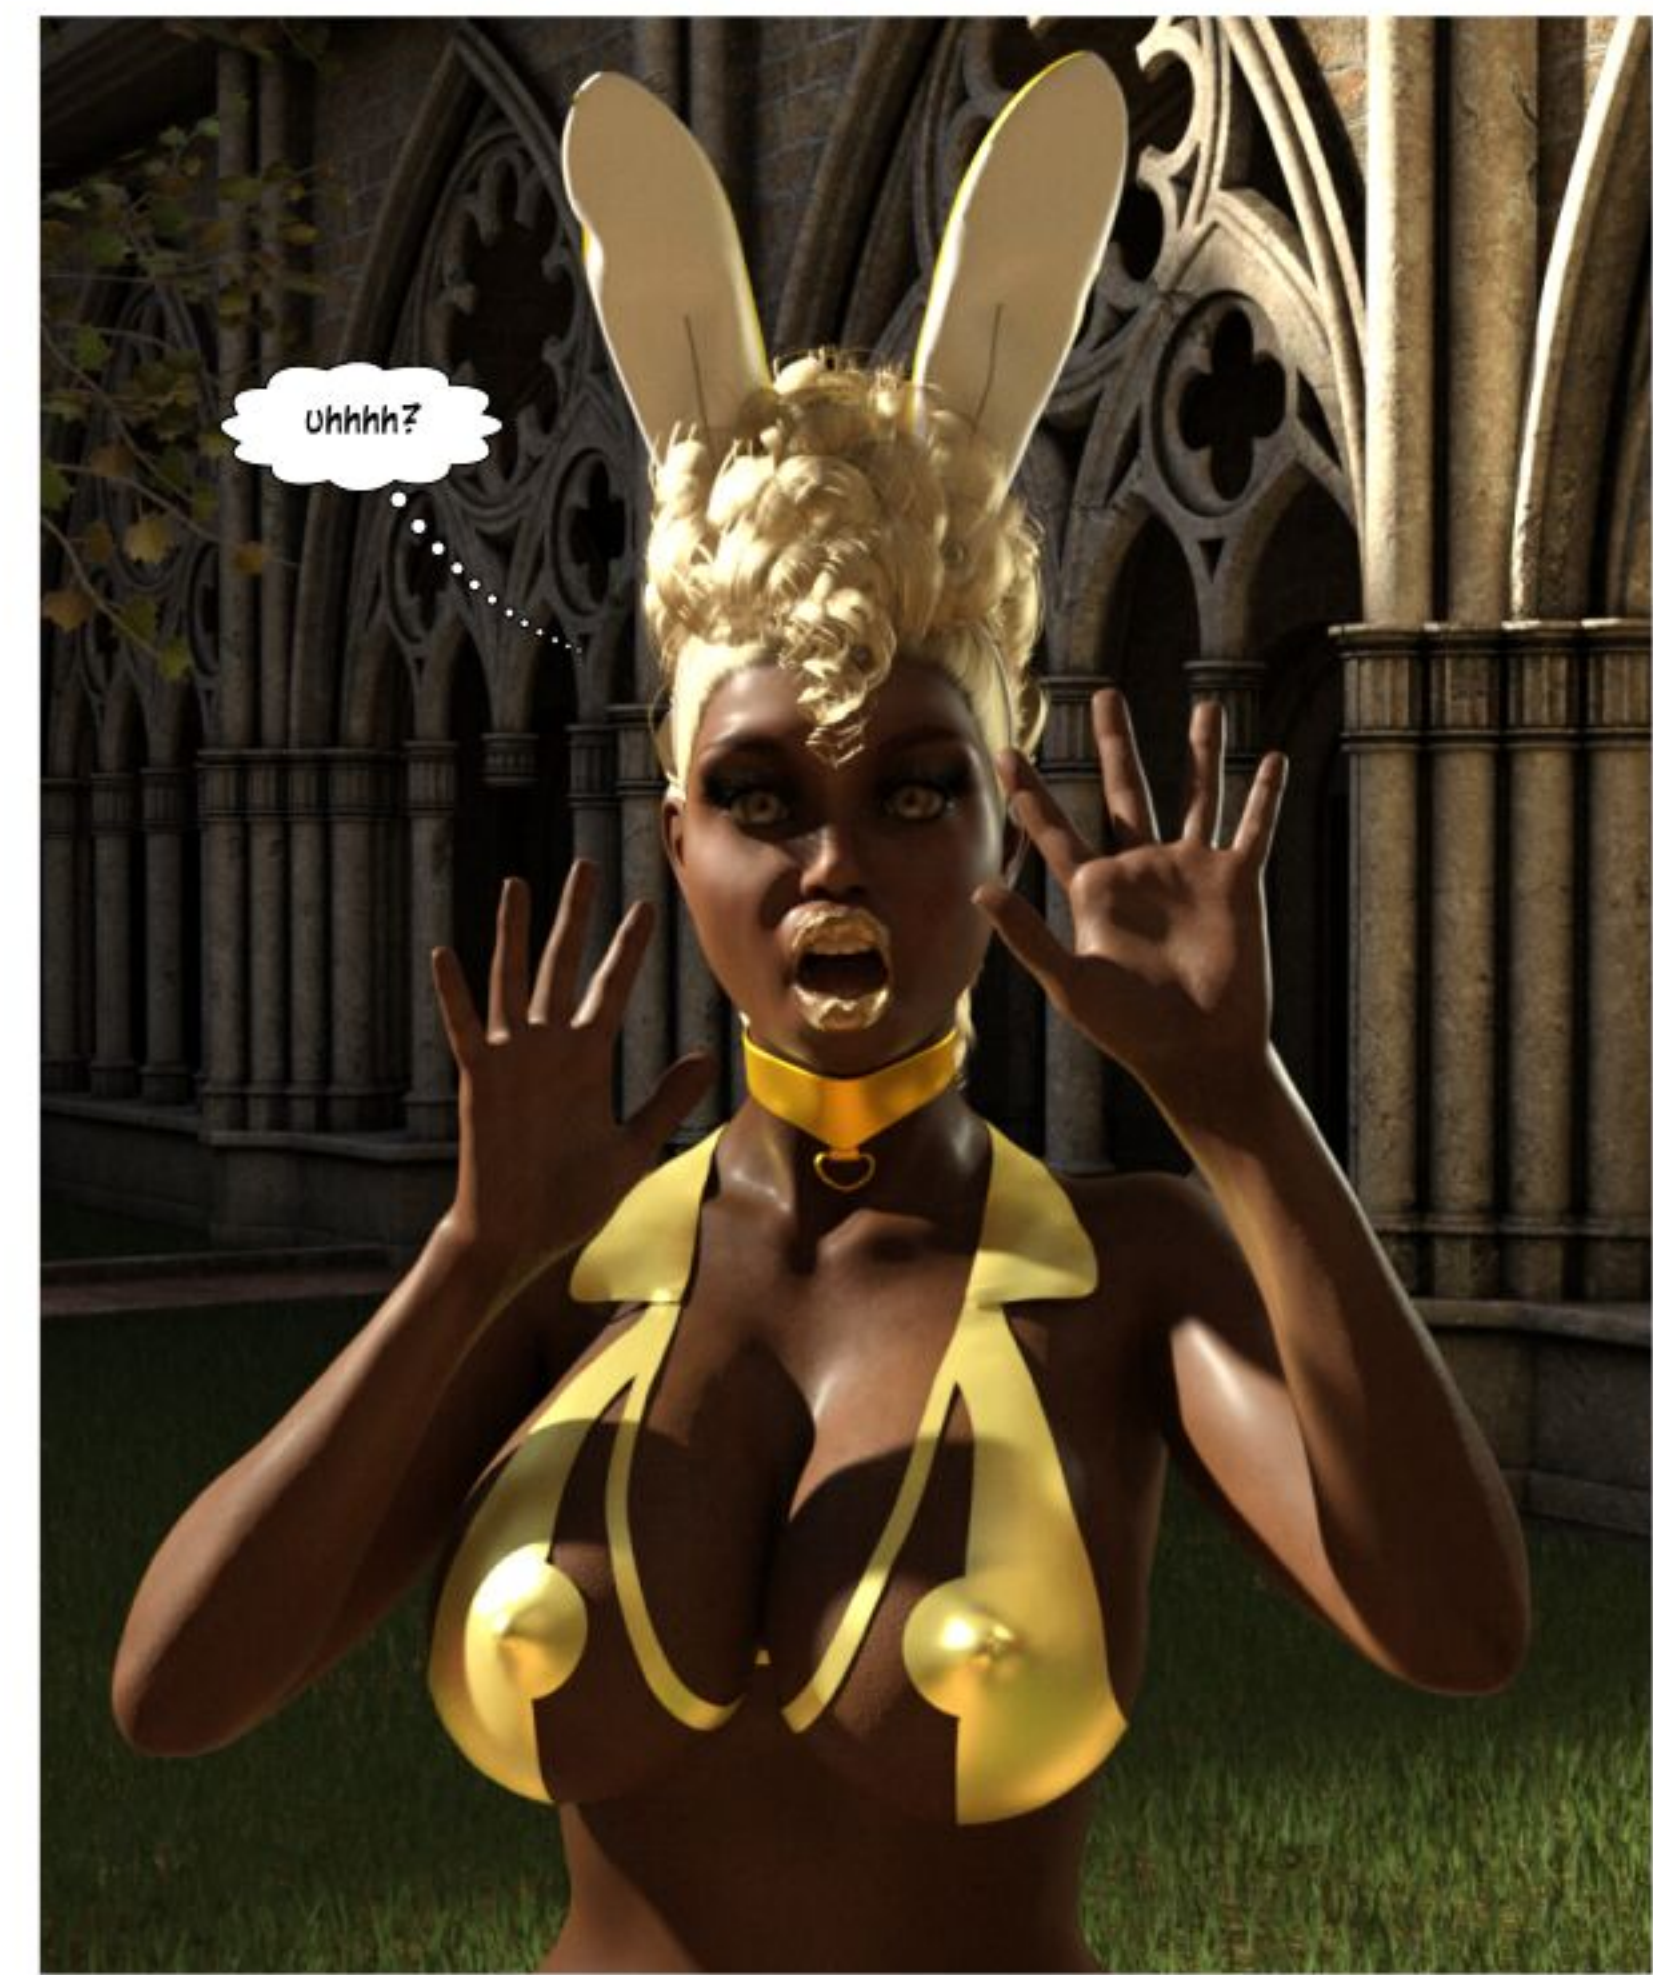

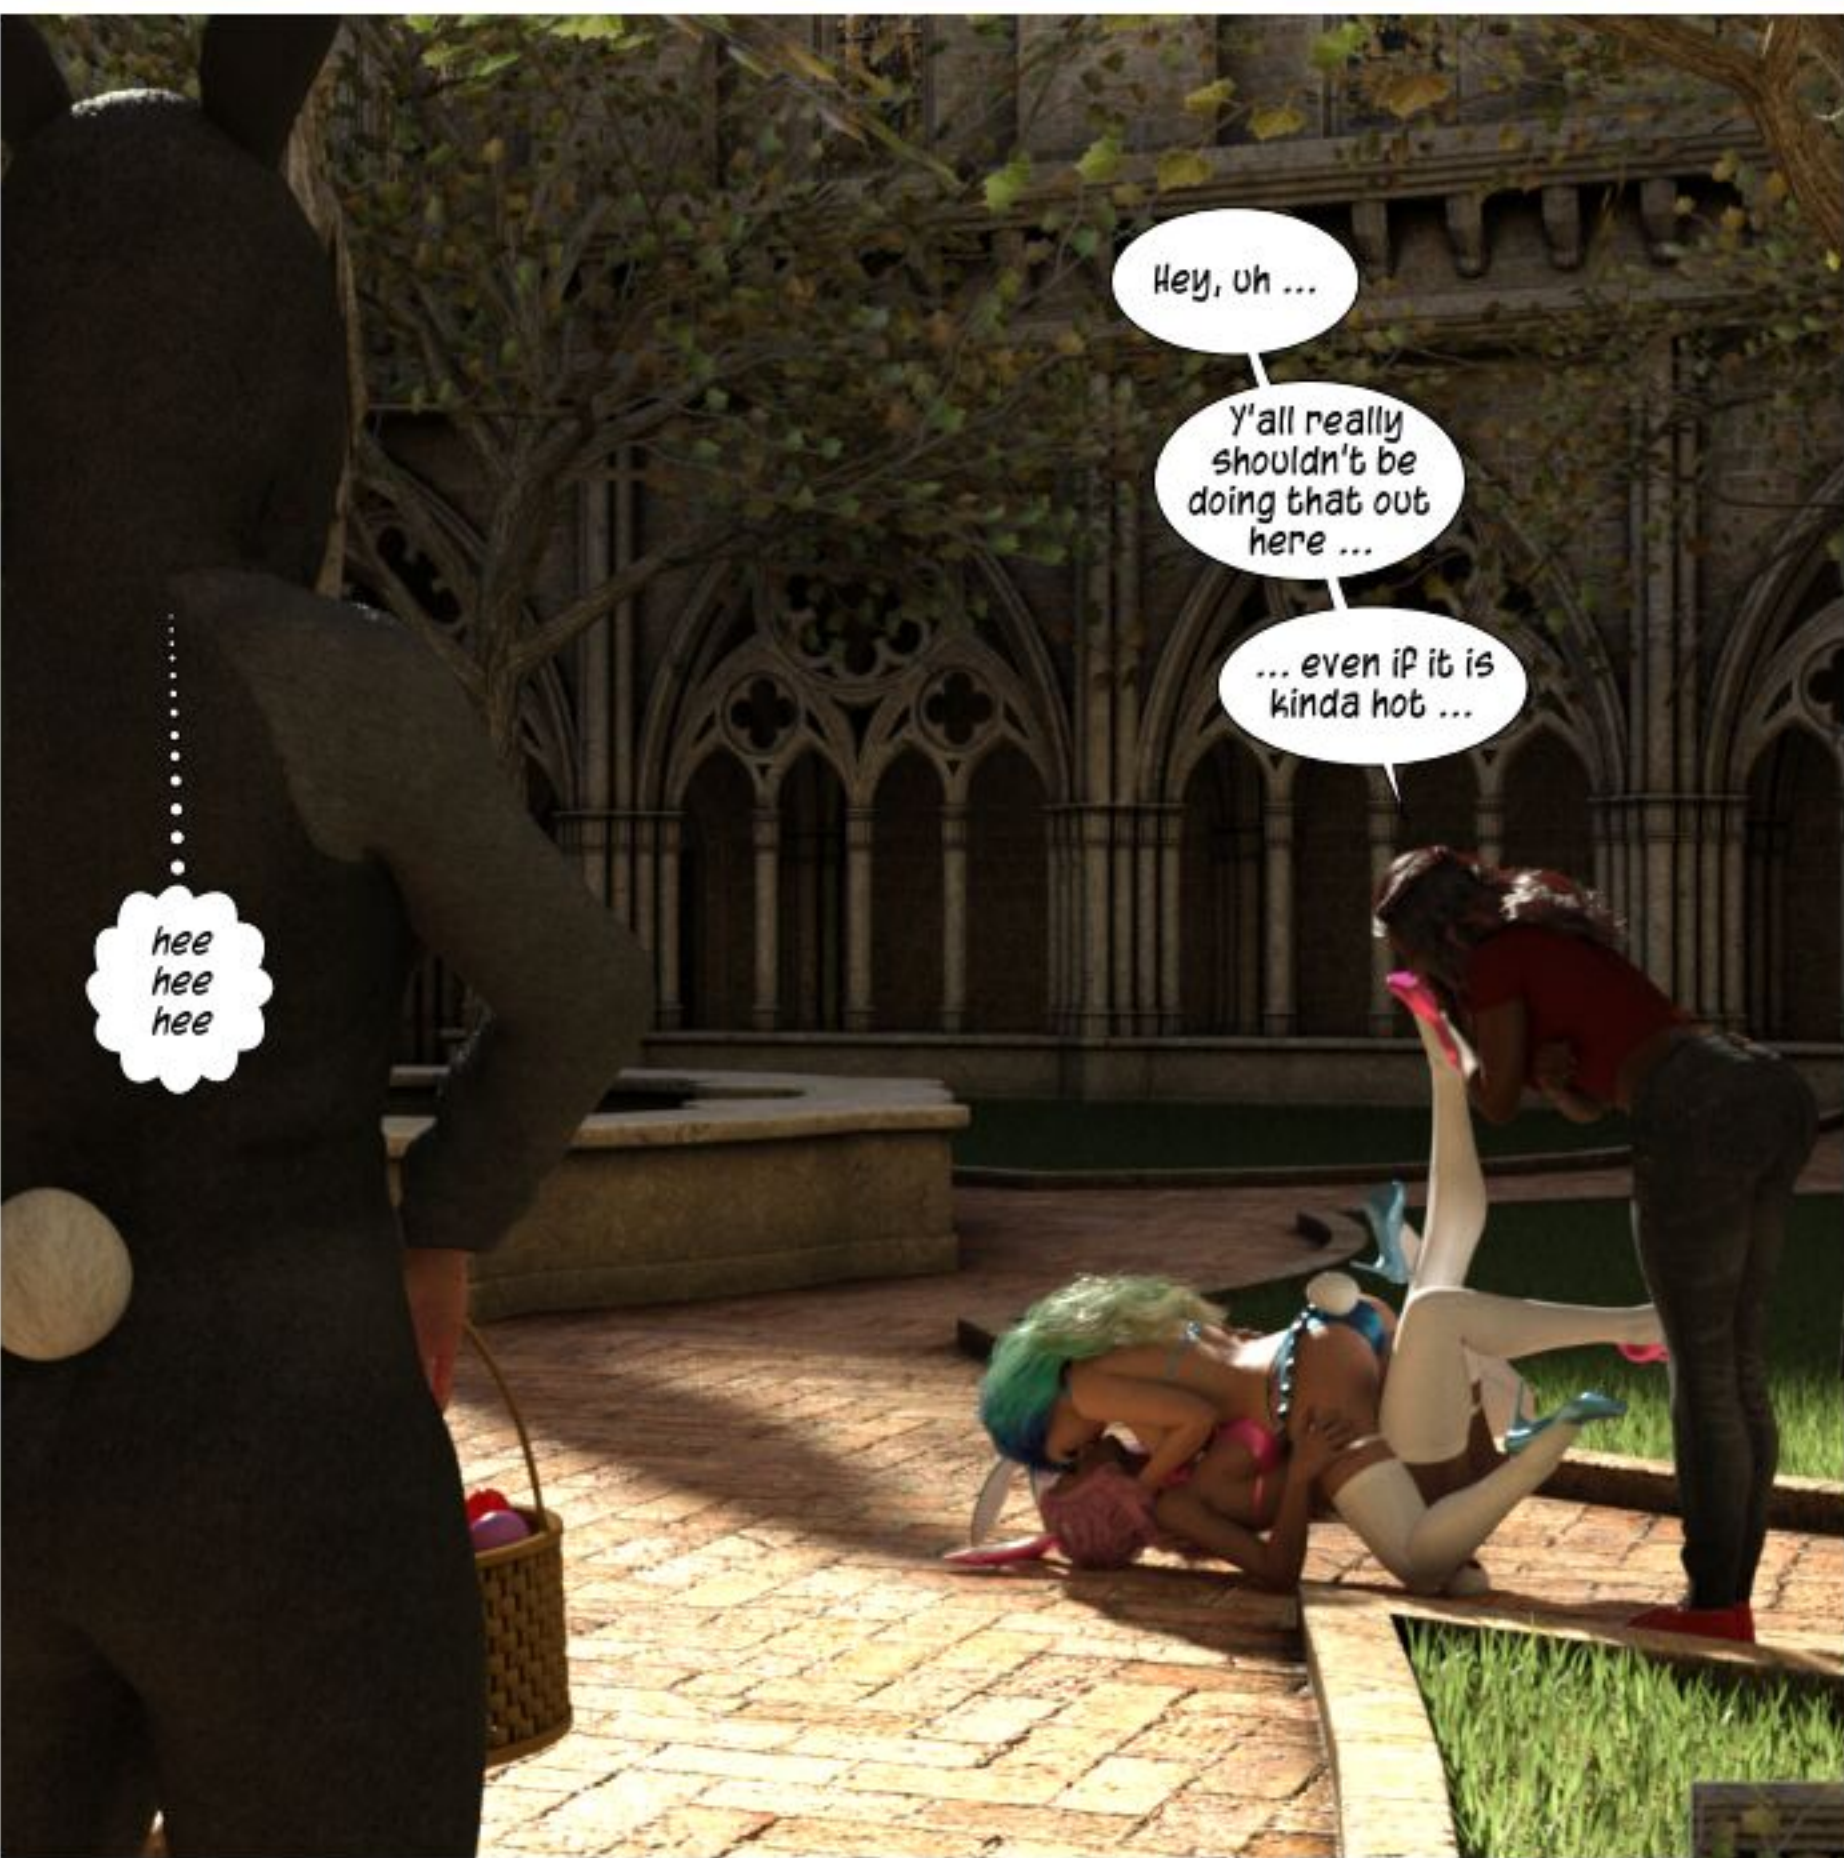

Whuh?

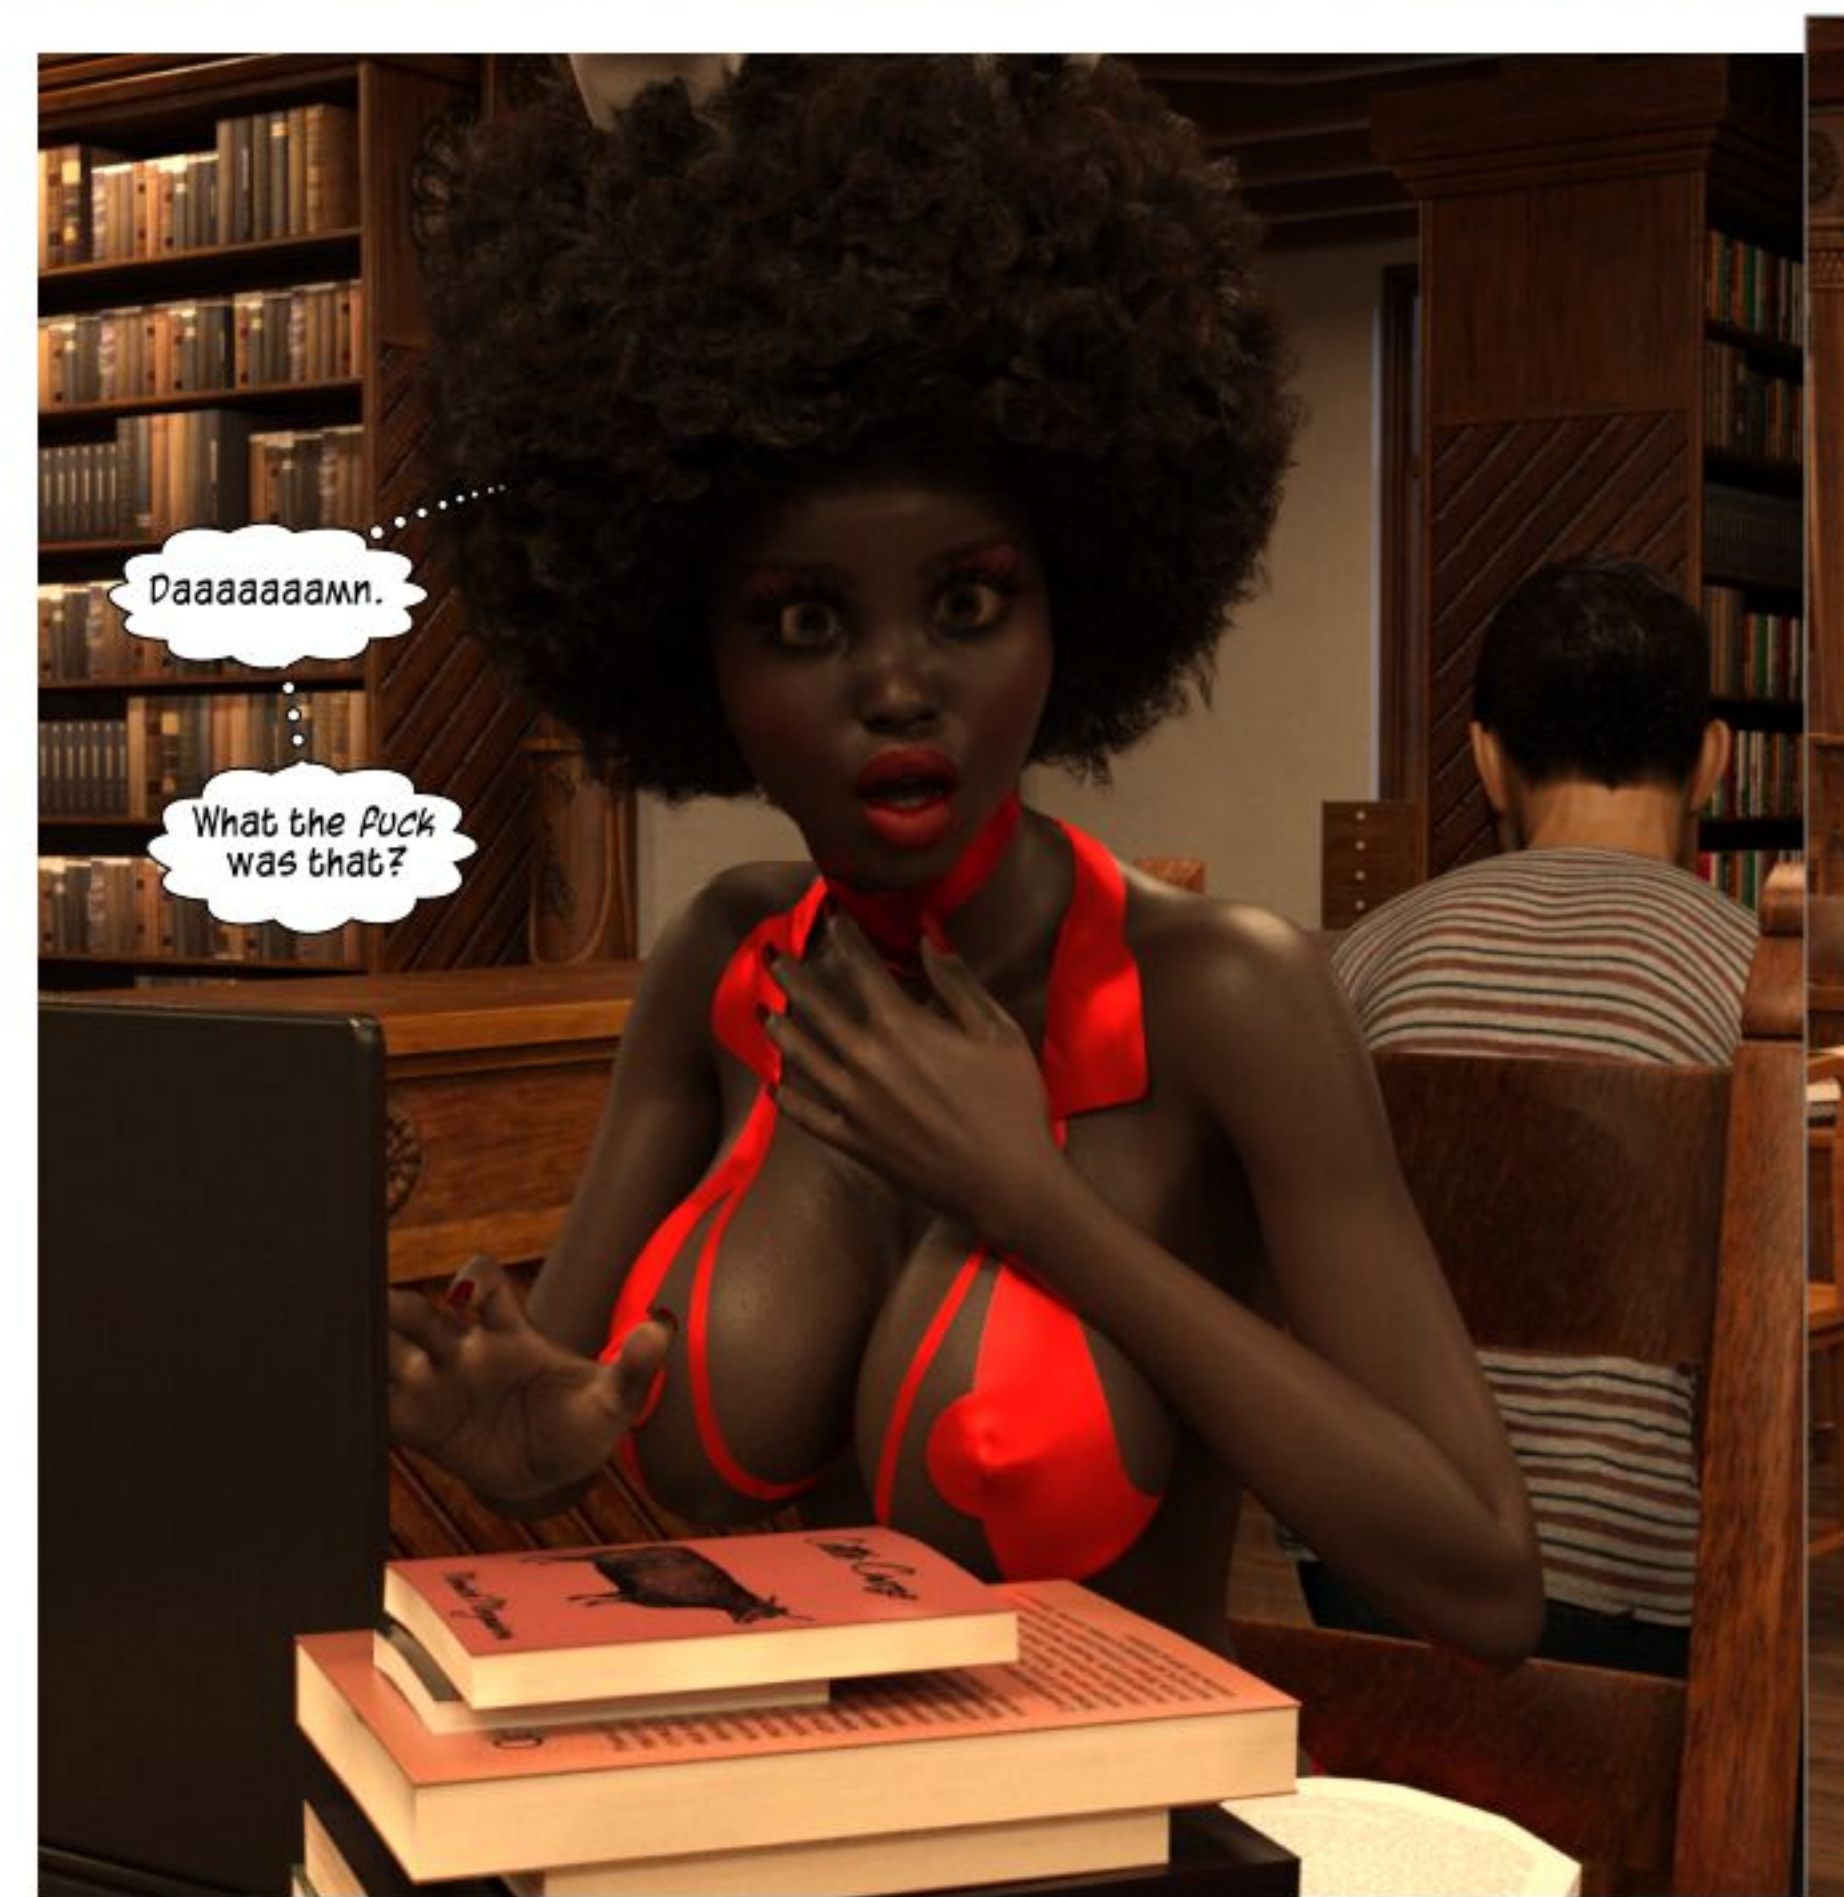

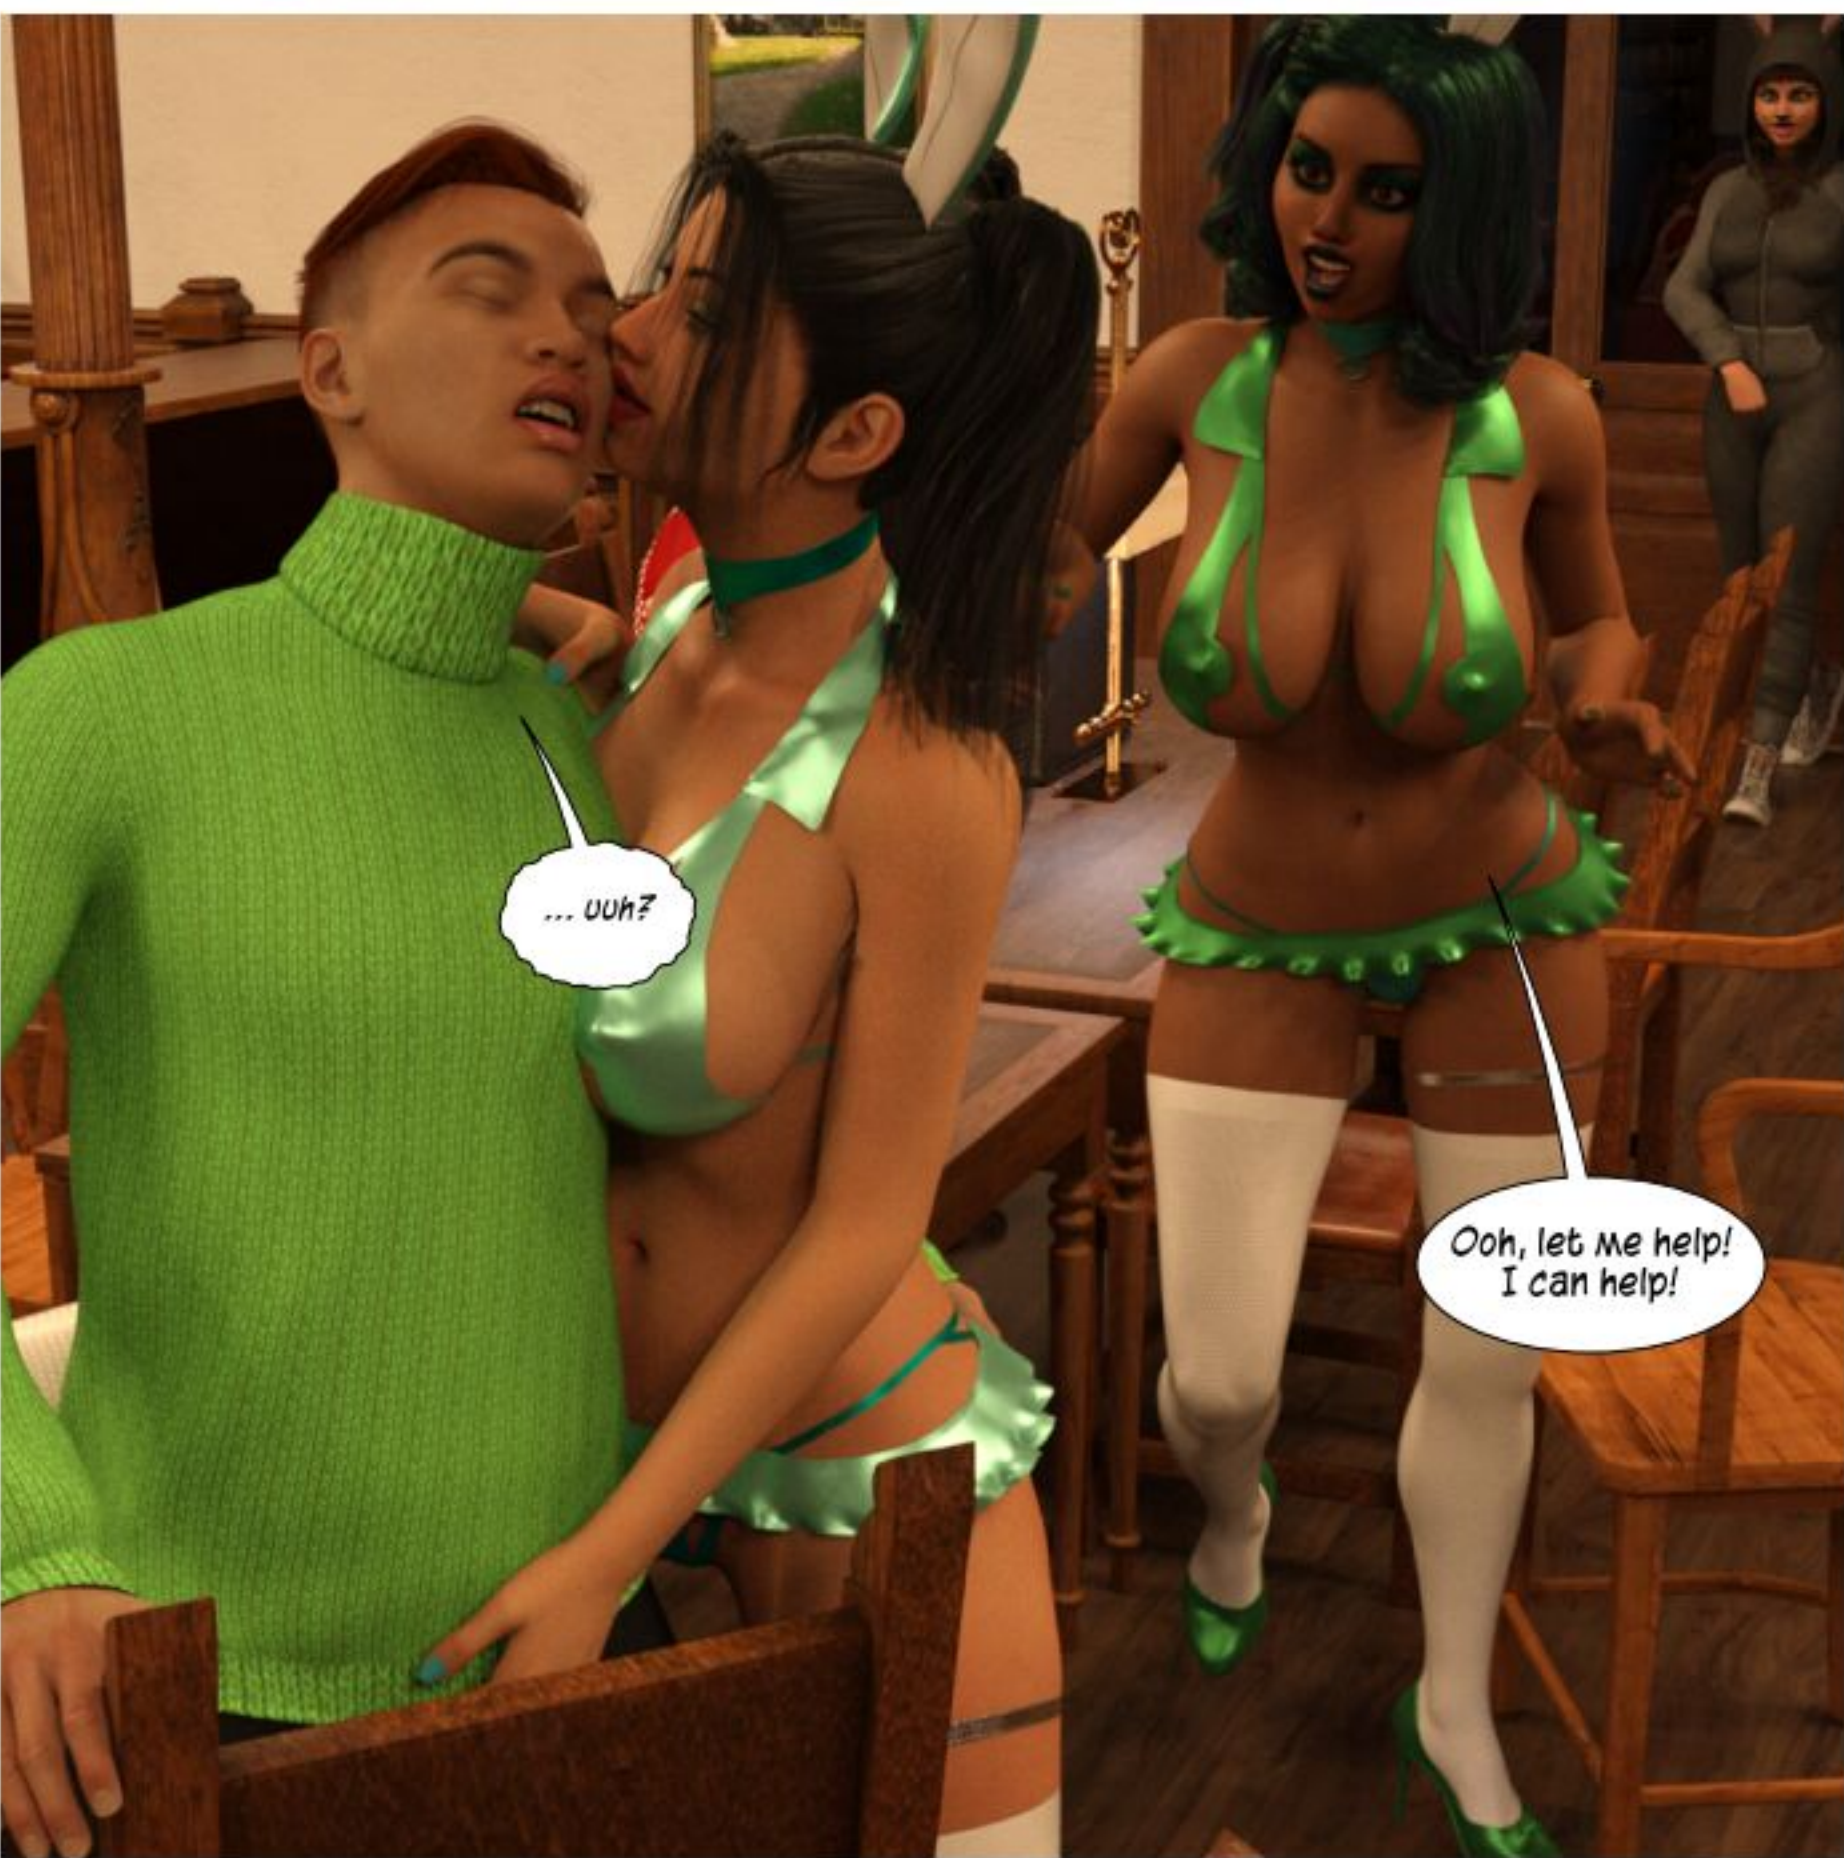

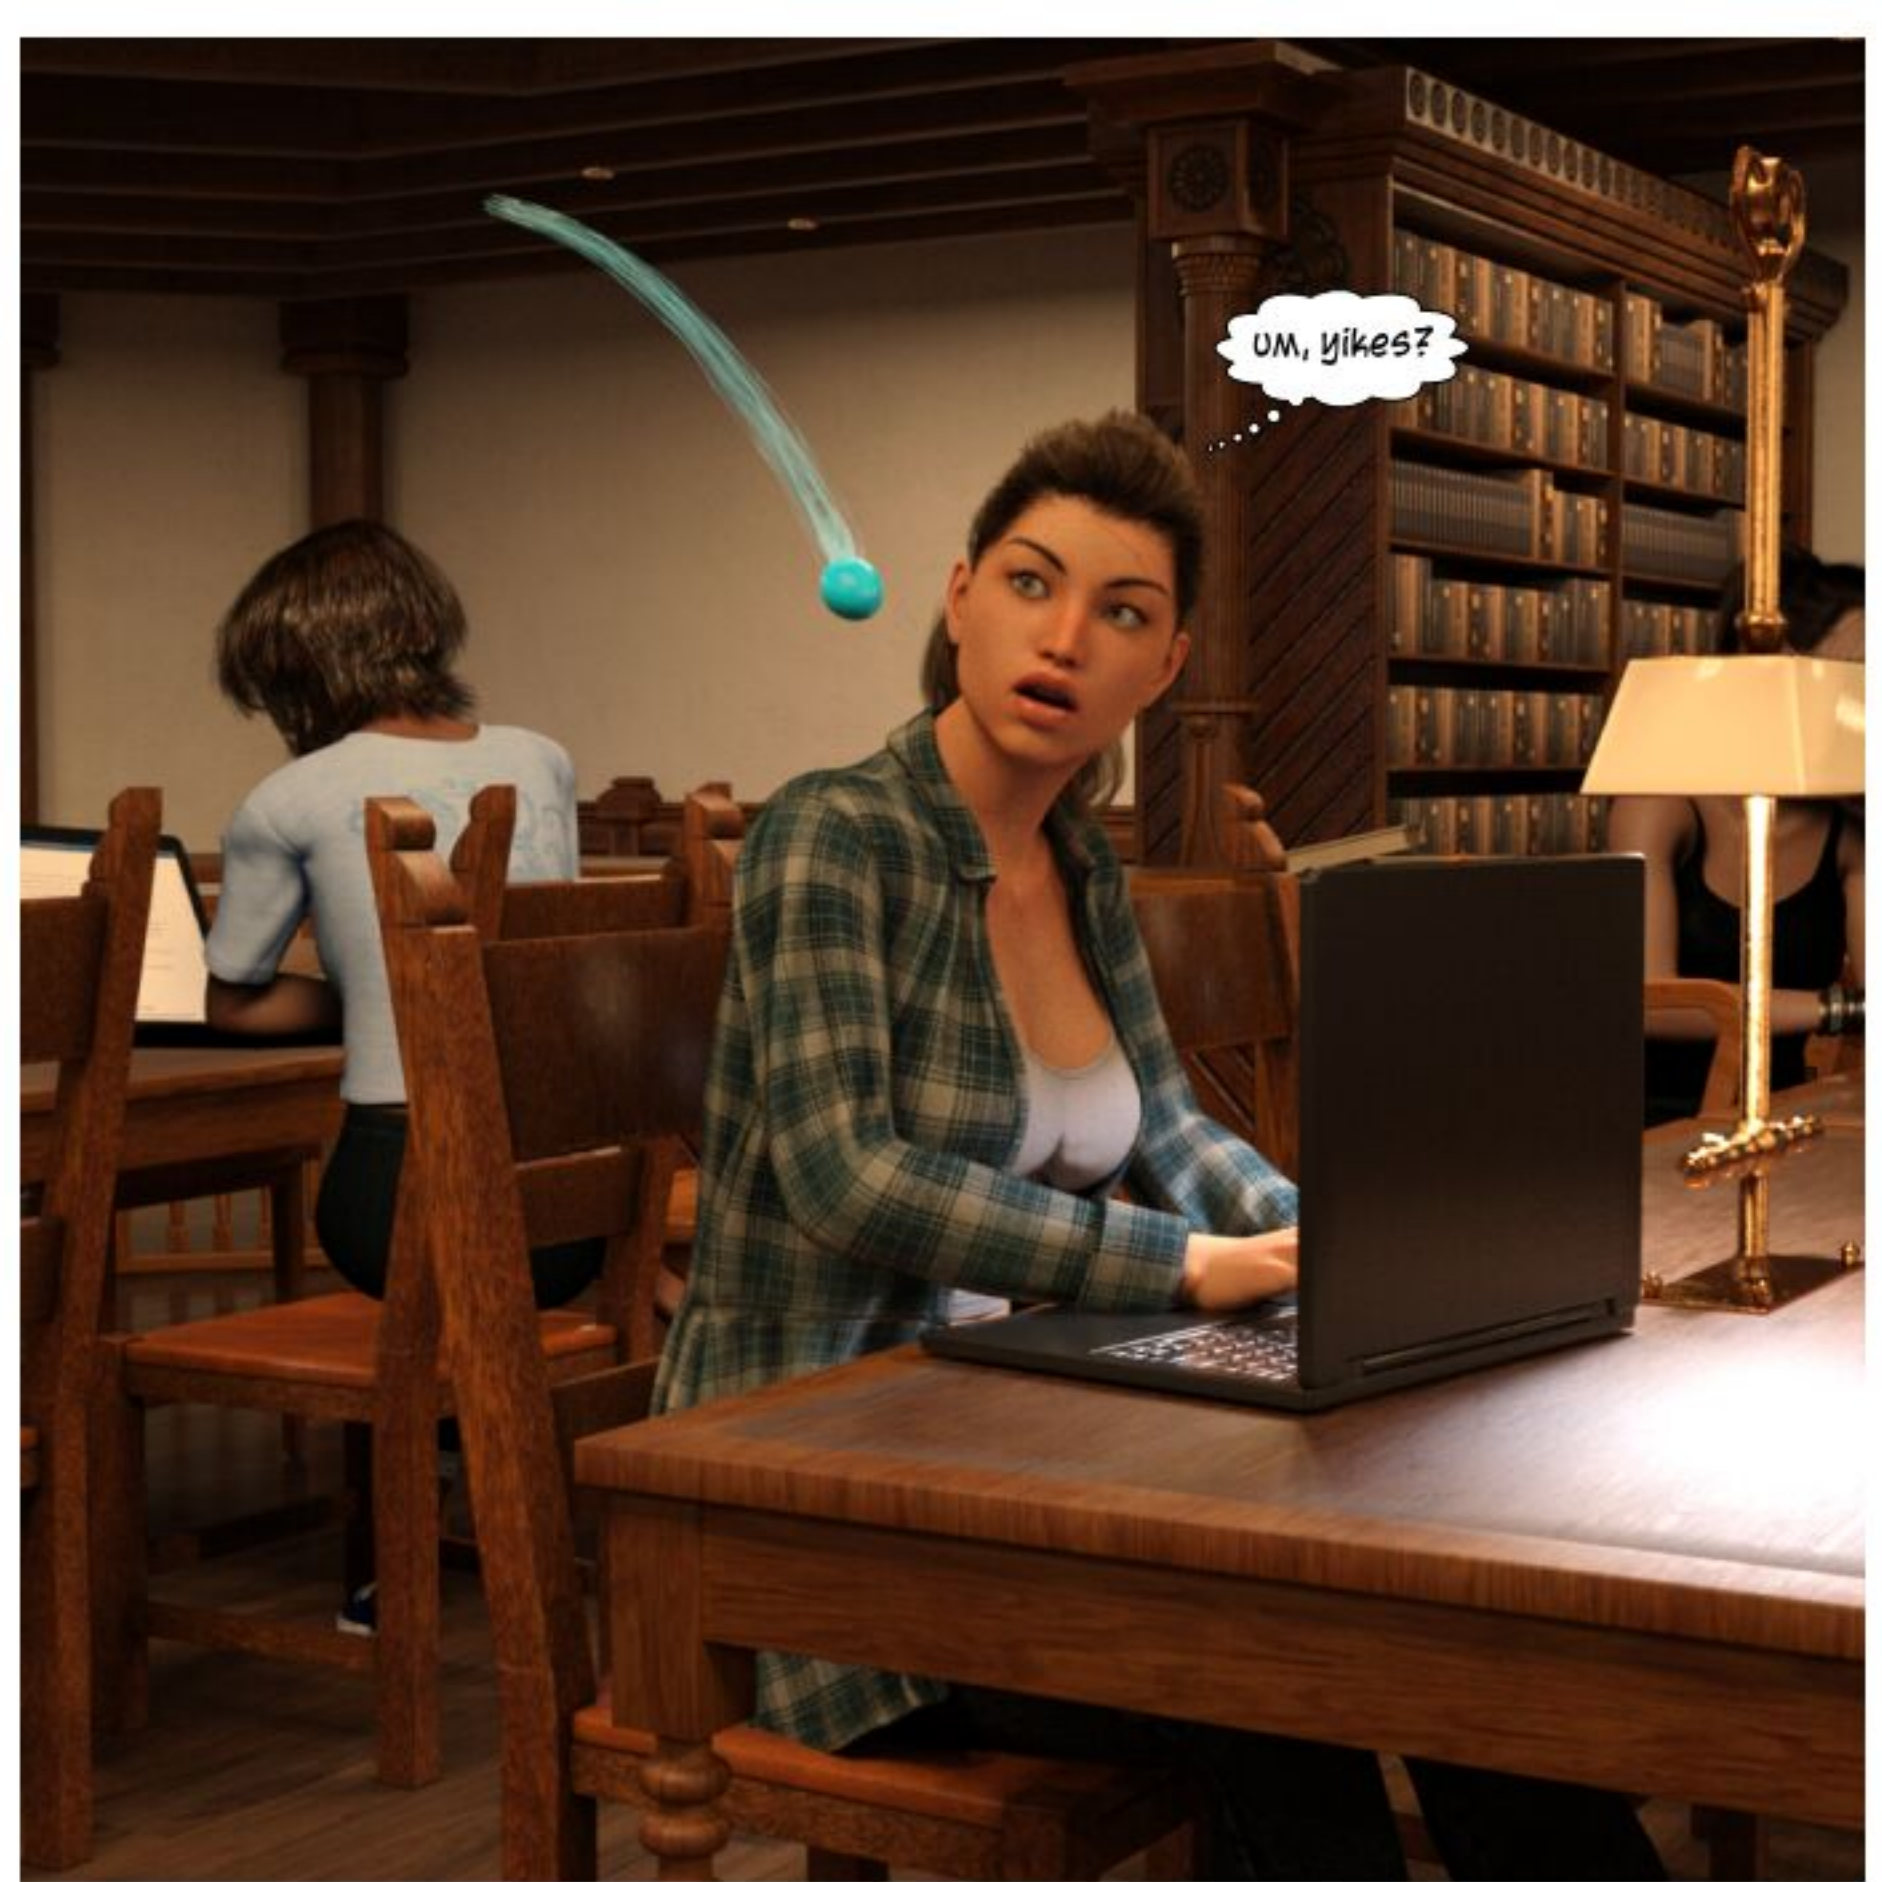

Oh!  
-- hee hee hee --  
Oh, wow  
-- hee hee hee --

Isn't that great? And didn't it Peel good?

Yeah!  
... I need to do another.

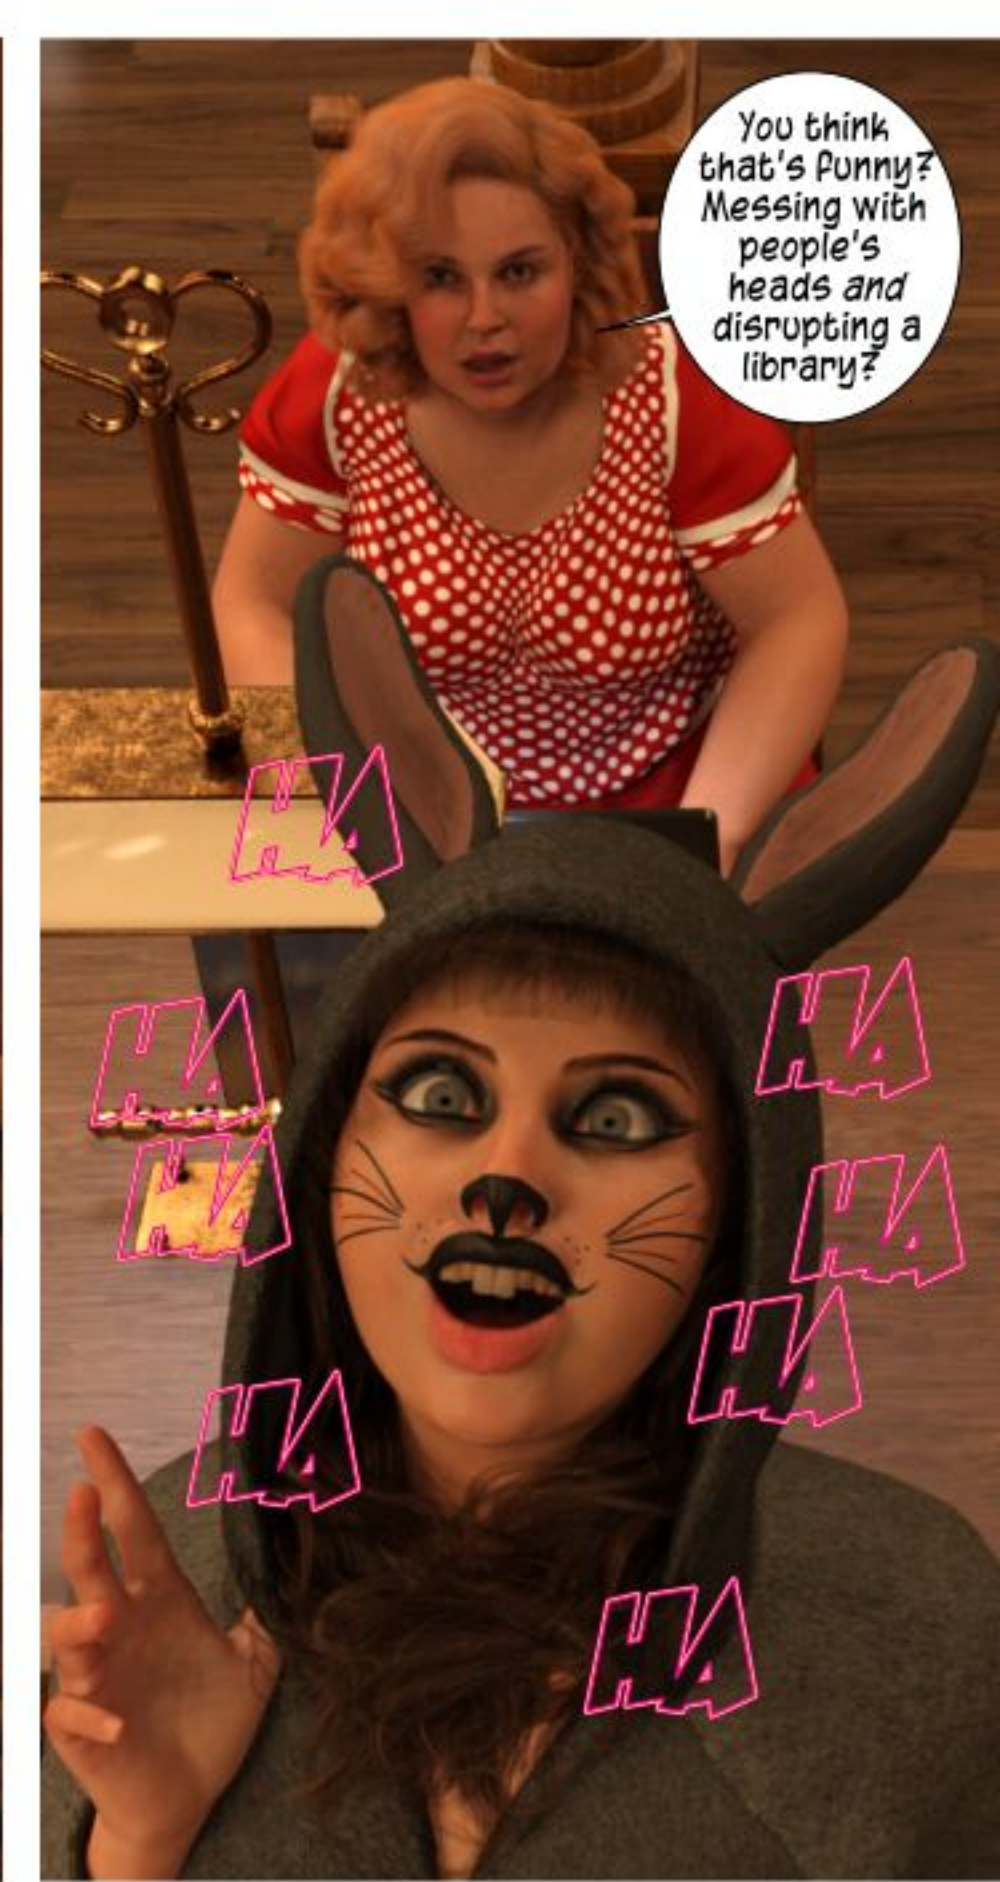

Stop this at once!  
At once, I say!

This is a library, not  
a house of ill fame!

The circ --  
The circ --  
The desk is open!!

Who wants to  
check me out?  
-- giggle --

You think  
that's funny?  
Messing with  
people's  
heads and  
disrupting a  
library?

You need to  
lighten up!  
Here!

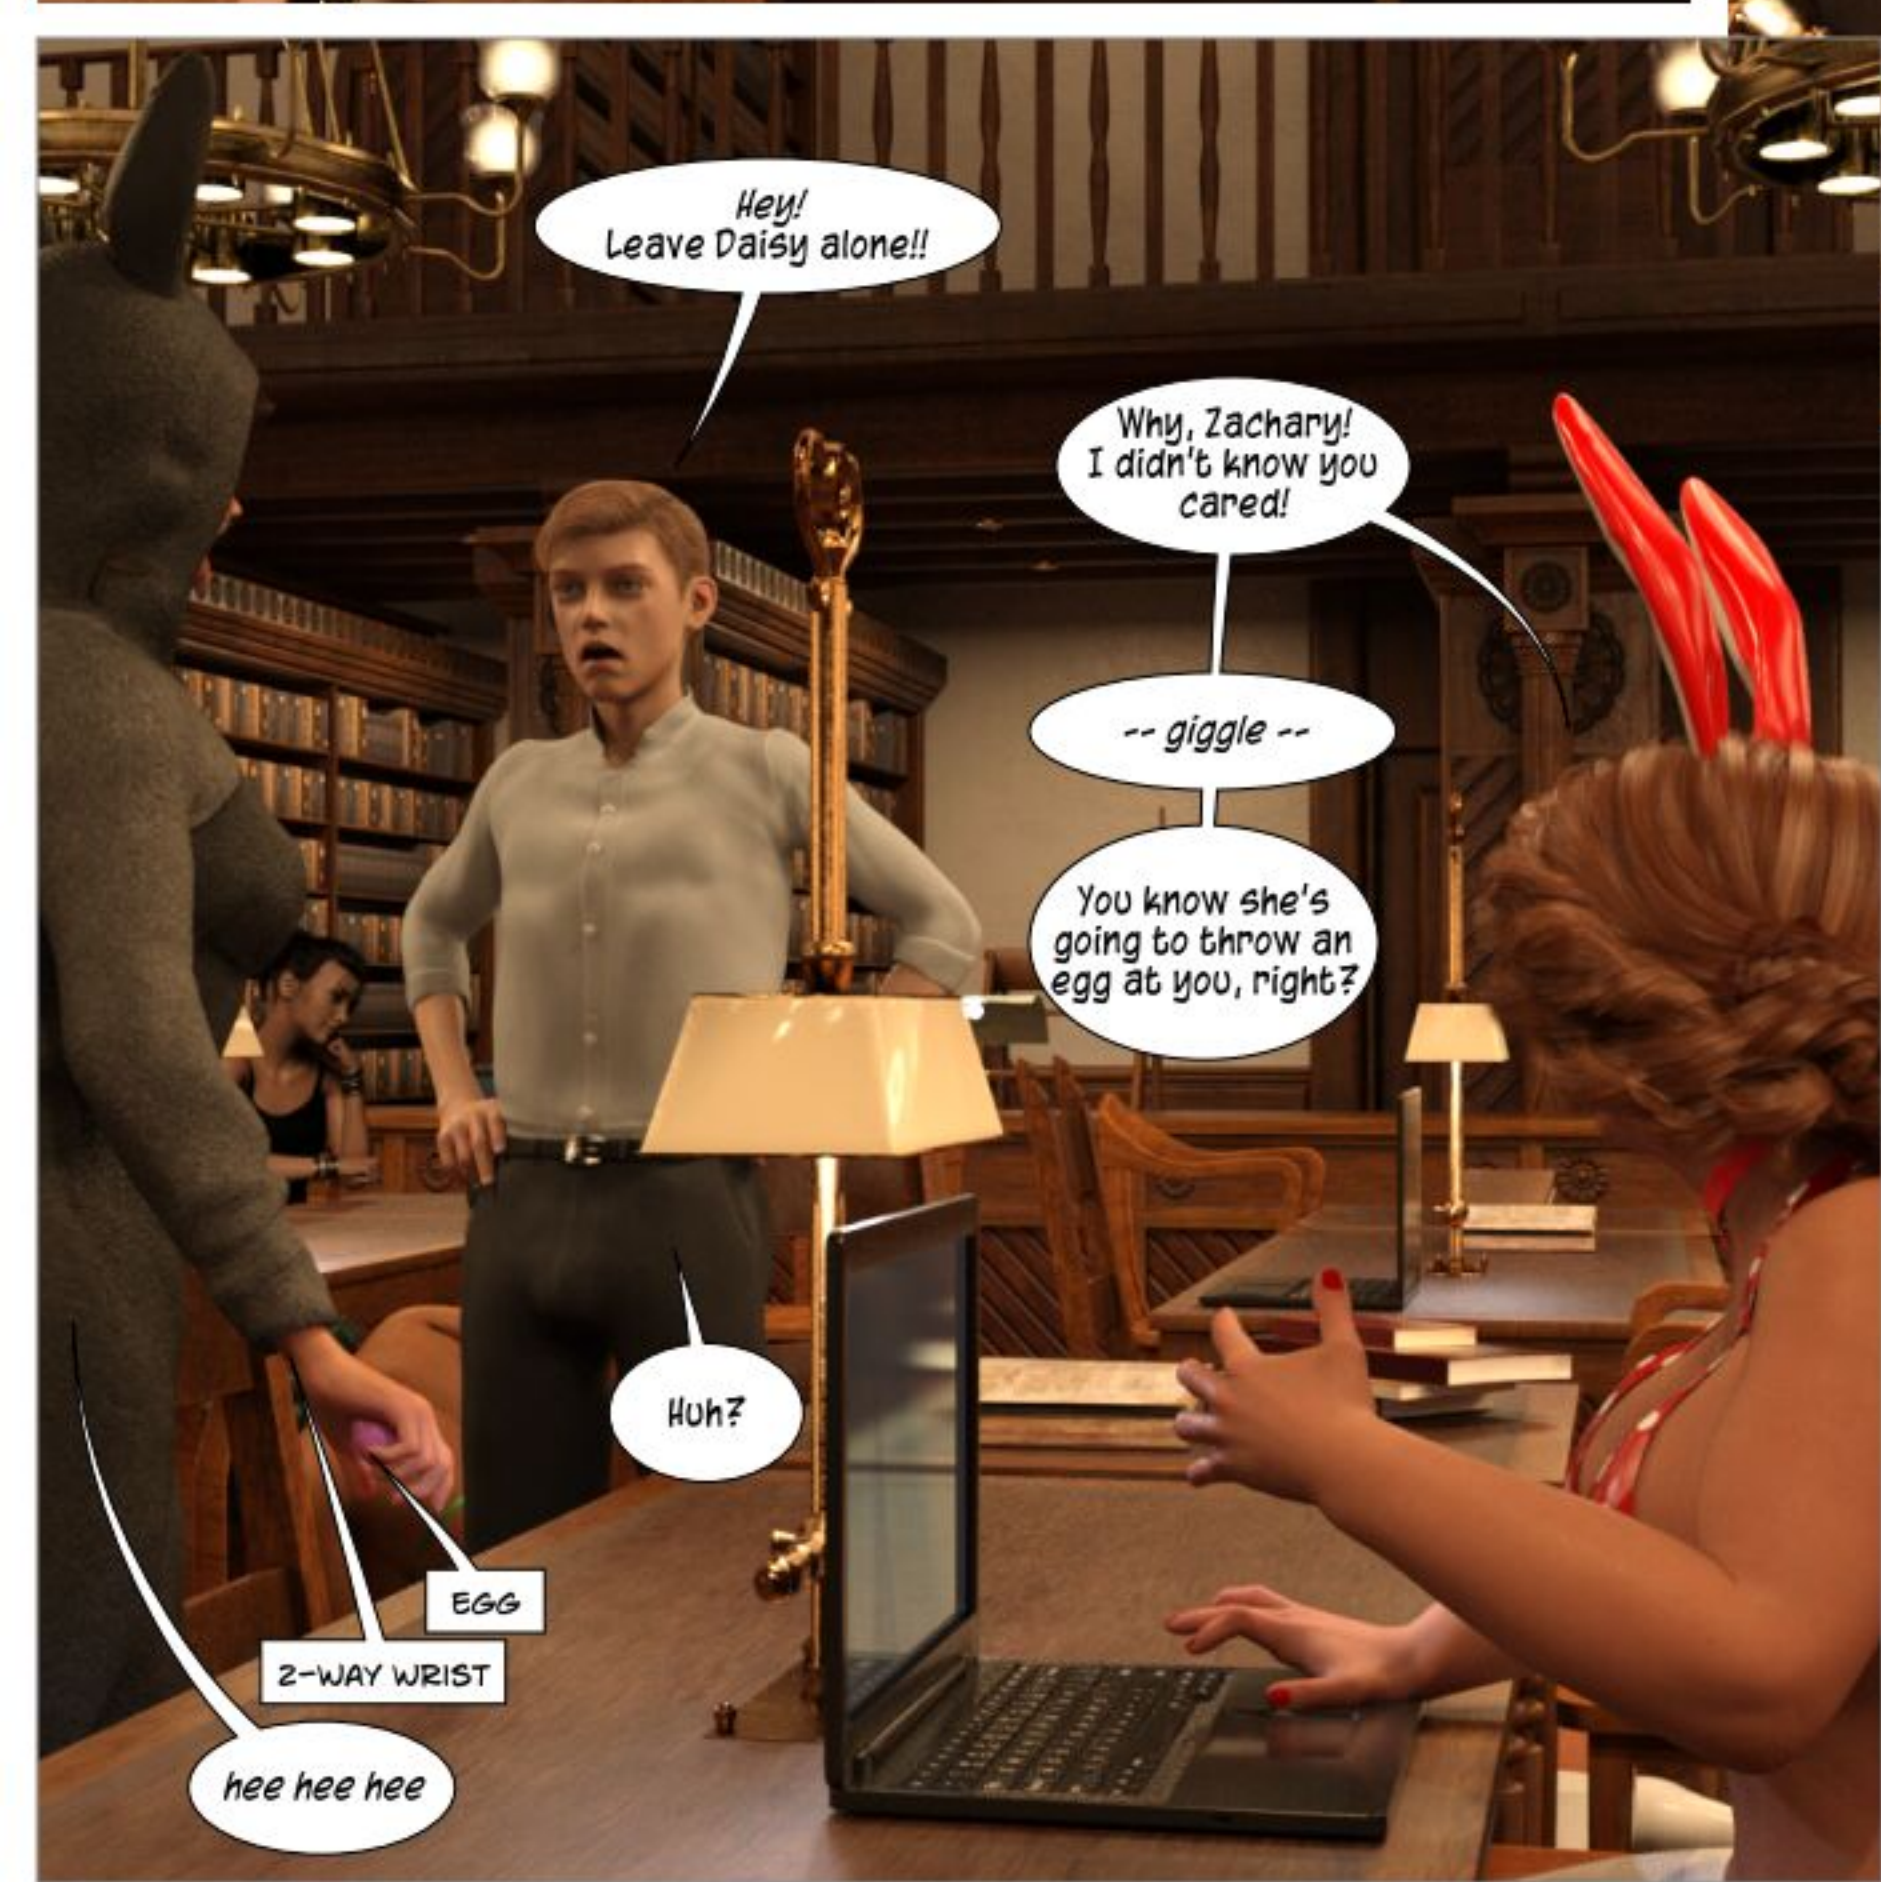

Aw, shit ...

Oooh, hi there!  
-- giggle --

Like they  
needed to  
be bigger?  
-- giggle --  
Oh well!

But you better get  
me somebody to  
play with, quick, or  
I'm coming over this  
table and grabbing  
you by the ears.

Hey!  
Leave Daisy alone!!

Why, Zachary!  
I didn't know you  
cared!

-- giggle --

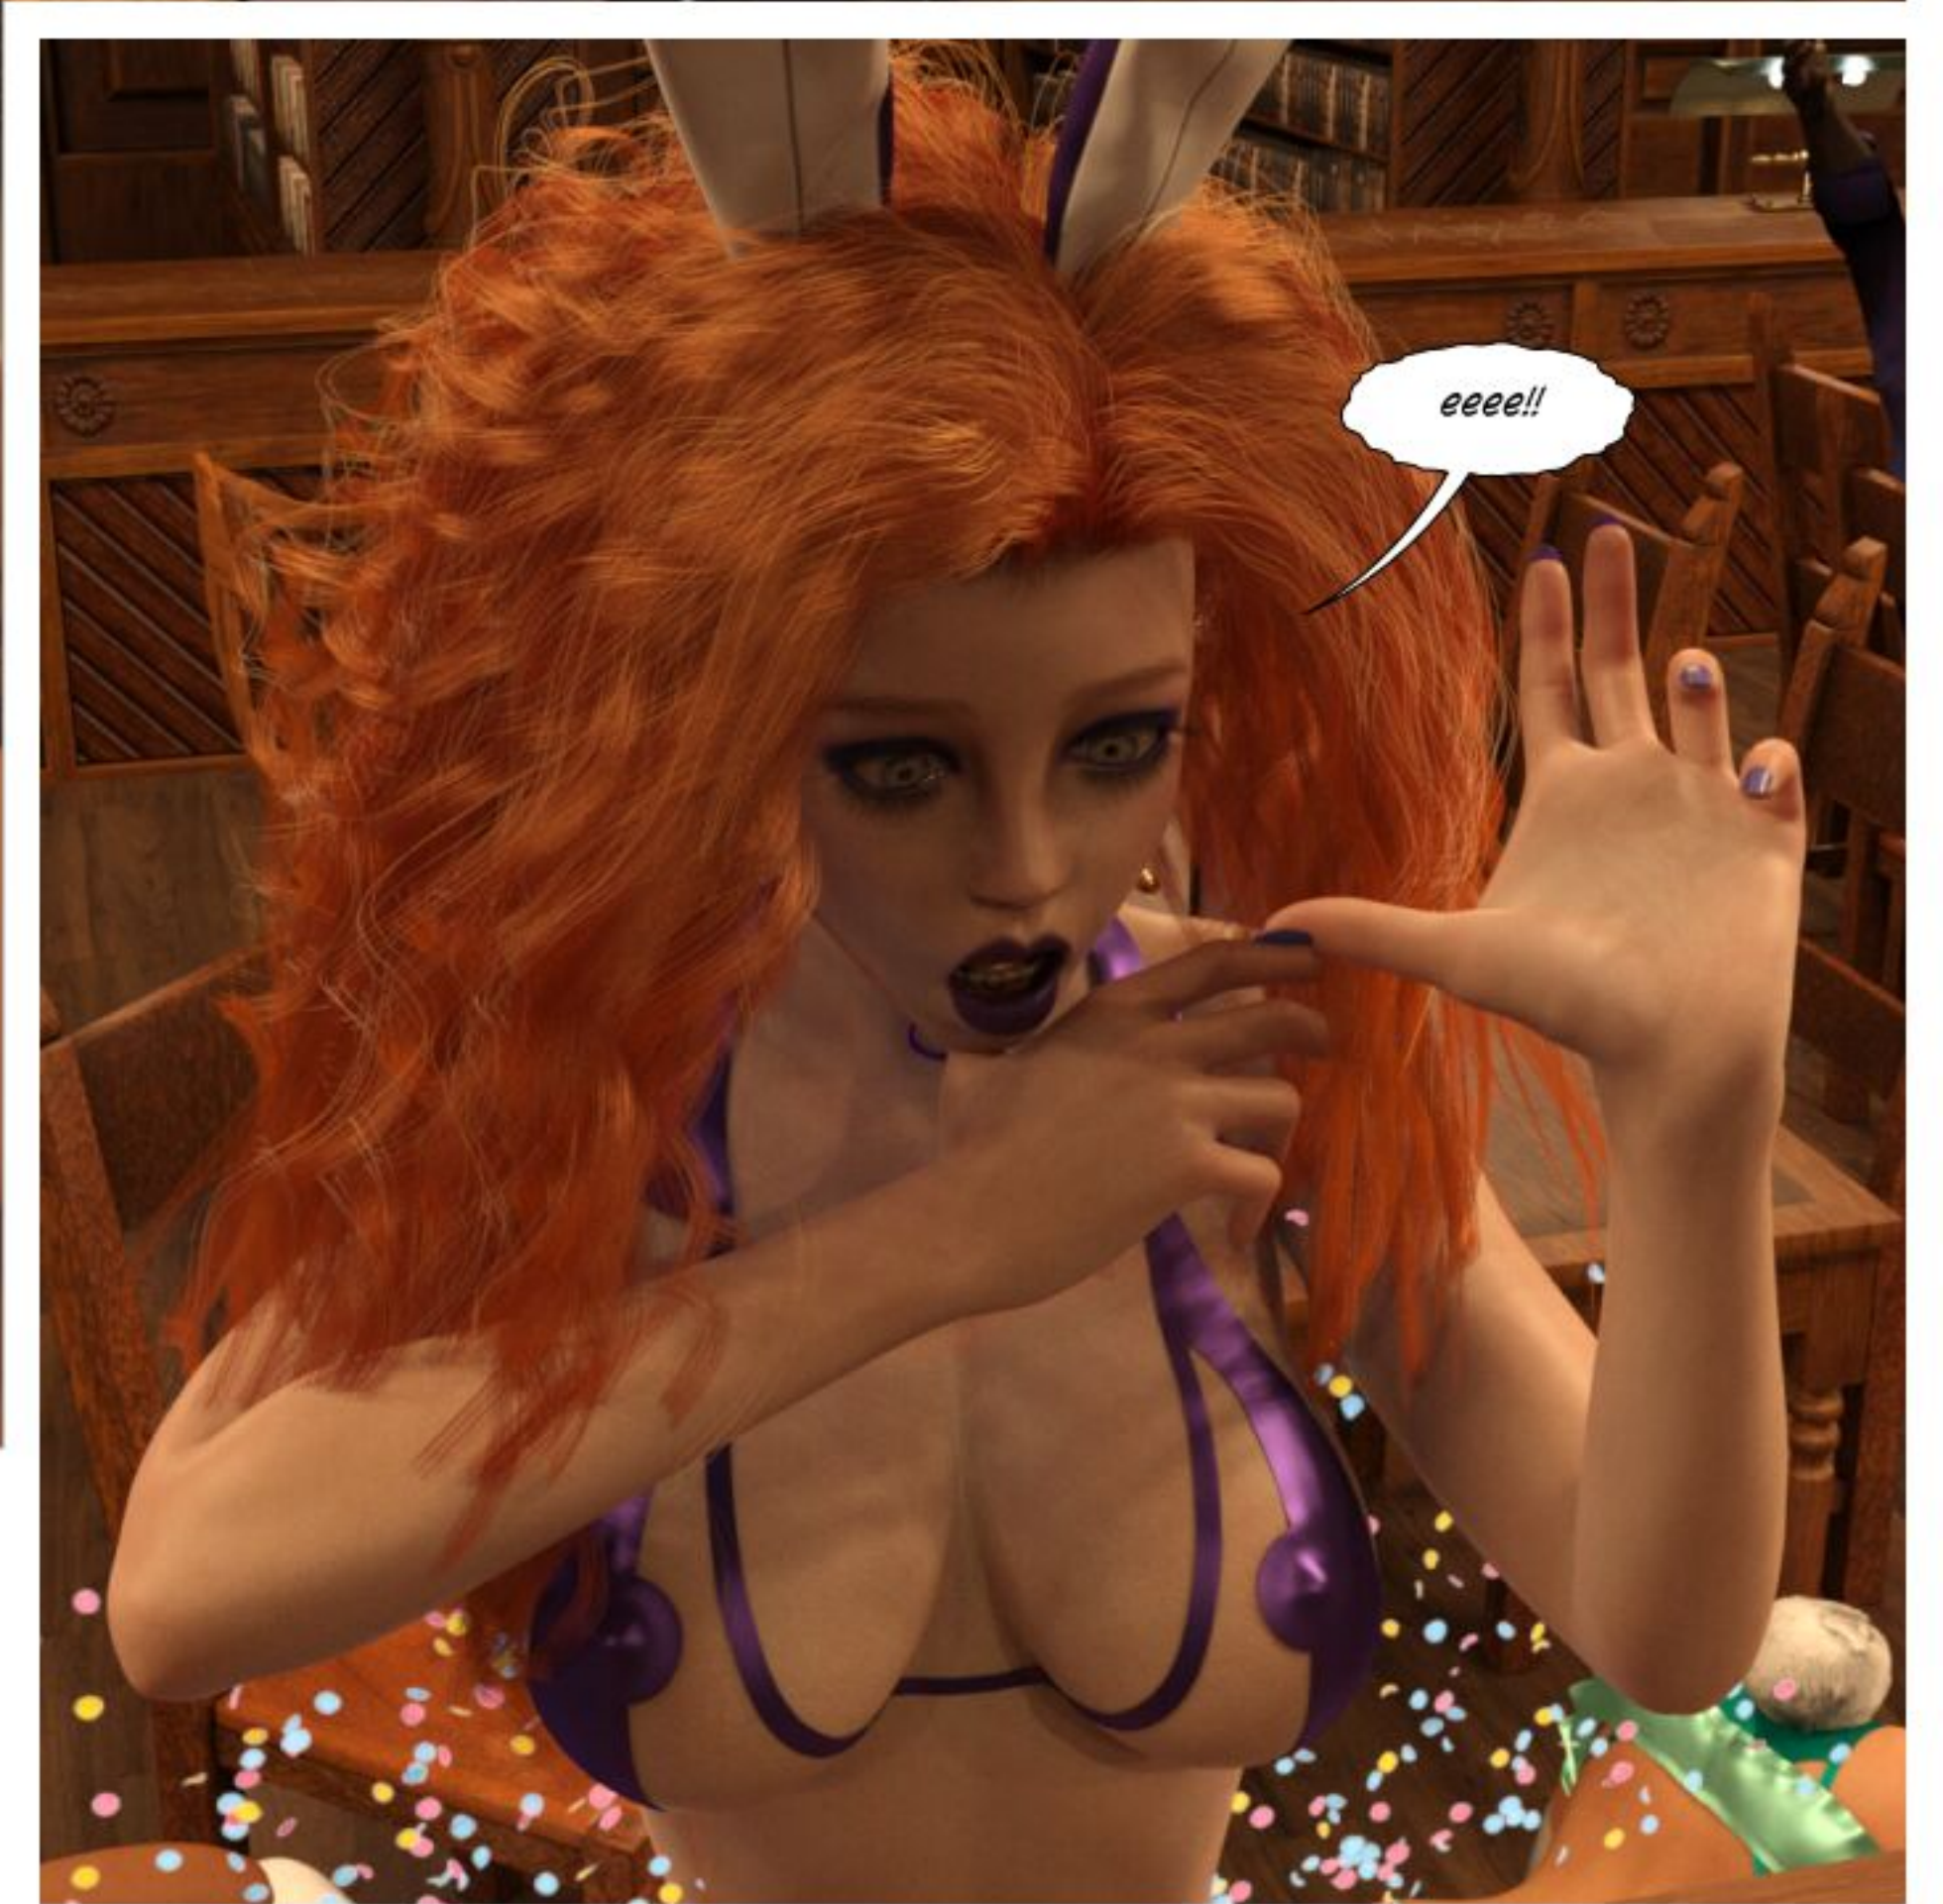

You know she's  
going to throw an  
egg at you, right?

Huh?

EGG

2-WAY WRIST

hee hee hee

eeee!!

SEVERAL EGGS LATER ...

eeee!

oooh!

aaah!

All done!  
-- hee hee --

Let's see who  
else I can find!

ohhh!

aaah!

ohhh!

ohhh!

eeee!

aaah!

oooh!

ohhh!

aaah!

oooh!

NATALIE WANDERS THE CAMPUS MAKING MAYHEM A WHILE LONGER, UNTIL ...

Oh no! I'm almost out of eggs!  
I need to go find the bunny lady! Maybe she'll give me some more!  
I want to be a good helper! I want to -- I want --  
Wait.  
God damn it!

Hey!  
Where are you going? You didn't use all your eggs! You were doing so well!  
... and you shouldn't have any brain left by now ...  
I'm going to my room. Where I'm going to try to figure out how to come up with a whole semester's worth of lost notes. And figure out how I'm going to pay for a new laptop, thanks to you.  
But ... you were having so much fun!  
How'd you break out -- I mean ... what's wrong?

"What's wrong?"  
You mean, besides the fact that you're pucking with people's heads and messing with mine so I'd help you?  
I don't know. Maybe it's because I've been here for two years, and no guy has ever so much as said, "Hey, wanna get a cup of coffee or something?" Not once.  
And then you come along and tell me that the only way someone's going to puck me is if you mess with their mind? You don't think that might kinda ruin the mood?  
Go away and leave me alone.

BACK IN THE DORM, NATALIE GETS A NASTY SURPRISE.

What did she do to my face???  
And this makeup isn't coming off! Oh, god, I'm stuck like this?  
You in there, Nat?  
Oh, shit ... Jenny! And I can't get out without her seeing me.

Have you been outside? It is wild. I know it sounds nuts, but apparently some woman in a bunny suit has been turning people into ... well, you wouldn't believe what some of them are doing ...  
They say she threw eggs at them! And then they ...  
Waitaminnit.

It's you! You're the one who was doing it!  
Have you lost your mind?  
Jenny, no! It's not like that ... there was this weird rabbit lady ... she made me do it ...  
How could you do that? Do you have any idea how that must --  
... heh.

Aaahh!!  
Oooh, you hee hee evil bitch hee hee hee

HAHAHAHAHA!!  
Omgod, that's too much. Look at those tits!  
And that tail is just the cutest ... Oh, I think this is a really good look on you!  
-- giggle --  
I'm so glad you like it!

Wait, don't you dare --!  
Uhhhh?  
Oooh, that's ... hee hee ... UM ...

That was hee hee a rotten thing to do!  
You should hee hee talk!  
I really ought to hee hee hee  
Yeah, well hee hee hee  
hee hee hee!  
hee hee hee!!
